

Tax Consultancy Services

GCC countries decided to implement Value Added Tax in the entire region through a treaty signed by all GCC member countries. UAE implemented the VAT laws and regulations with effect from January 1, 2018.

Organizations need to find new ways to align their tax strategies with their overall needs, while meeting their compliance obligations wherever they arise.

There is a tax implication for almost every transaction a company undertakes, from trading to acquisition to offshoring.

Our skilled tax advisors are experts in the UAE Tax Laws and Regulations. Our tax advisors provide valuable evaluation of a company's tax position, practices and procedures to determine whether they comply with the law and regulations and can assist in determining a company's tax liabilities, preparing related Tax returns, and submitting these tax returns to regulatory agencies within the prescribed deadlines.
